

2023 Course CEU Information

As a specialty section of APTA, APTA Pediatrics courses are preapproved in most states. APTA Pediatrics courses are NOT automatically preapproved in the following states:

California	APTA Pediatrics courses that occur before October 31, 2023, are approved under CPTAAP-23. This includes Innovations in School-based Practice, Foundations of School-based Practice Online, Advanced Clinical Practice in Pediatric Physical Therapy, and the APTA Pediatrics Annual Conference and preconference courses. If you would like to apply for CEUs for any other course, you may do so here .
Texas	APTA Pediatrics courses that occur in 2023 are approved under 2503060TX.
Ohio	APTA Pediatrics will apply for approval for the Innovations in School-based Practice course, the APTA Pediatrics Annual Conference, and APTA Pediatrics Annual Conference Online. If you would like to apply for CEUs for any other course, you may do so here .
Oklahoma	APTA Pediatrics courses that occur in 2023 are approved under BAP202300002.
New Mexico	APTA Pediatrics will apply for approval for the APTA Pediatrics Annual Conference and APTA Pediatrics Annual Conference Online. If you would like to apply for CEUs for any other course, you may do so here .
Illinois Early Intervention Hours	APTA Pediatrics will apply for approval for the APTA Pediatrics Annual Conference and APTA Pediatrics Annual Conference Online. If you would like to apply for early intervention hours for any other course, you may do so here .
Pennsylvania Direct Access Hours	APTA Pediatrics will apply for approval for the Innovations in School-based Practice course, APTA Pediatrics Annual Conference, and APTA Pediatrics Annual Conference Online. If you would like to apply for direct access hours for any other course, you may do so here .

If you'd like to check with your state chapter to see what is required for CEUs, you can find contact information for your chapter office [here](#). The information you need to apply for CEUs in your state will be made available after the course upon request to info@pediatricapta.org for the following courses:

- Innovations in School-based Practice
- Foundations of School-based Practice Online
- Advanced Clinical Practice in Pediatric Physical Therapy
- APTA Pediatrics Annual Conference preconference courses

- APTA Pediatrics Annual Conference
- APTA Pediatrics Annual Conference Online

For Innovations in School-based Practice, Foundations of School-based Practice Online, Advanced Clinical Practice in Pediatric Physical Therapy, and APTA Pediatrics Annual Conference preconference courses, your certificate will reflect the flat number of contact hours for the course (unless you registered for the daily rate, in which case it will reflect the hours for that day).

For APTA Pediatrics APTA Pediatrics Annual Conference and APTA Pediatrics Annual Conference Online, you will need to complete a session evaluation to track which specific sessions you attend by the specified deadline.
